THE ROLE OF TAXIS IN THE FUTURE OF DIGITAL URBAN MOBILITY

Don't miss the next UITP International Taxi Seminar
7 – 8 December 2017 in **London, United Kingdom!**

This two-day seminar is an excellent opportunity to gain in-depth knowledge and learn about smart solutions with leading taxi experts from across the world.

INTERNATIONAL BEST PRACTICES

Explore the necessary planning and decisions for taxi regulators and operators in a range of areas including:

- The future of taxi transportation in the aftermath of TNC disruption
- Dilemma of urban transport authorities: creating a level playing field
- What should be done by the taxi industry during the digital revolution and what role will taxis play in tomorrow's urban mobility?
- Taxis and new mobility innovations: MaaS, Autonomous Vehicles
- Key trends in taxi operations: technology, green vehicles, accessibility, safety and human resources

NETWORKING OPPORTUNITIES

Meet taxi professionals from around the world and build long-term professional relationships with decision-makers from transport authorities, the taxi industry and taxi operator firms.

Are you looking for the latest developments in the taxi revolution? Then don't miss the UITP International Taxi Seminar in London. Register now!
