CONSULTATION RESPONSE: TAXI AND PRIVATE HIRE VEHICLE LICENSING: PROTECTING USERS

The Urban Transport Group brings together and promotes the interests of Britain’s largest urban areas on transport. Our full members are Transport for West Midlands, Merseytravel (Merseyside), Nexus (Tyne and Wear), South Yorkshire PTE (Sheffield City Region), Transport for Greater Manchester, Transport for London and West Yorkshire Combined Authority. We also have associate members which are the West of England Combined Authority, Nottingham City Council, Strathclyde Partnership for Transport and Tees Valley Combined Authority and Translink (Northern Ireland). However this consultation response is on behalf of our full members.

We welcome the Government’s proposed improvements to the statutory guidance for taxi and private hire vehicle licensing. The changes proposed will further protect users of these services. In particular we are pleased to see:

- the requirement for enhanced DBS checks for drivers
- the recommendation that drivers are required to undertake safeguarding and disability awareness training

However, this should merely be a stopgap measure until legislation can be bought forward which introduces national minimum standards and national enforcement powers. In addition, legislation is required to tackle cross-border hiring. We also believe that licensing authorities should be able to cap PHV numbers. We called for these changes in our 2017 report: Taxi! Issues and Options for City Region Taxi and Private Hire Vehicle Policy.

Please find our full response to the consultation attached.

Yours sincerely,

Clare Linton

4. Administration of the licensing framework

Do you agree with the recommendation?

Comment below if you want to explain your answer.
Yes, we agree and we would welcome additional training for those involved in licensing. However, authorities require adequate funding and resources to enable this. The quality and adequacy of training needs to be ensured. The LGA’s councillor handbook provides advice on this but additional guidance may be required.

4. The draft statutory guidance recommends a council structure for dealing with licensing matters (paragraphs 2.20-2.24). Do you agree with this proposed structure?

Note that this would not apply in London where Transport for London are the licensing authority.
5. Implementing changes to the licensing policy and requirements

The requirement may also need to account for voluntary attendance at interviews, which can be the preferred means of interview for suspects (as opposed to arrest).
8. Referrals to DBS and the police

10. The draft statutory guidance recommends that licensing authorities should make referrals to the DBS when it considers that an applicant or licence holder is thought to present a potential risk of harm to the public (paragraph 2.43). Do you agree with this recommendation?

- [ ] Yes

Combined Authorities / city region transport authorities may need to be part of a multi-agency safeguarding hub where they are making arrangements for education transport, for example.
12. Complaints against drivers and operators

16. The draft statutory guidance recommends that licensing authorities should produce guidance for passengers on making complaints directly to the licensing authority that must be displayed in licensed vehicles (paragraph 2.66). Do you agree with this recommendation?

☐ No opinion

Comment below if you want to explain your answer.

We called for compulsory safeguarding training in our 2017 report ‘Taxi! Issues and Options for City Region Taxi and Private Hire Vehicle Policy’. This should be taken forward in legislation for National Minimum Standards for taxi and PHV licensing.
14. Language proficiency

18. The draft statutory guidance recommends that all licensing authorities should consider whether an applicant for a licence is able to communicate in English orally and in writing with customers (paragraph 2.79). Do you agree with this recommendation?

☐ Yes
☐ No
☐ No opinion

Comment below if you want to explain your answer.
This needs to be set at an appropriate level. In London the requirement is B1, which is proportionate.
15. Enforcement

19. The draft statutory guidance recommends that licensing authorities should, where the need arises, jointly authorise officers from other authorities so that compliance and enforcement action can be taken against licensees from outside their area (paragraph 2.81). Do you agree with this recommendation?

☐ Yes
☐ No
☐ No opinion

Comment below if you want to explain your answer.
This should be in lieu of legislation to bring forward national minimum standards and changes to enforcement rules which mean that enforcement officers can take action against any vehicle operating in their area, not only those licensed there. See our 2017 report http://www.urbantransportgroup.org/resources/types/reports/taxi-issues-and-options-city-region-taxi-and-private-hire-vehicle-policy

We also believe that legislation should be brought forward which requires taxi and PH journeys to start or finish in the area in which they are licensed, in order to combat drivers being licensed in one area and operating entirely somewhere else.
16. Criminal record checks for PHV operators

20. The draft statutory guidance recommends that PHV operators (applicants or licensees) should be subject to a basic DBS check (paragraph 2.91). Do you agree with this recommendation?

We support PHV operators being subject to a DBS check, but this may need be an enhanced DBS.

☐ Yes
☐ No
☐ No opinion

Comment below if you want to explain your answer.

Guidance may be required as to what operators are expected to do on sight of a DBS and what might prevent staff taking bookings or dispatching vehicles.

23. The draft statutory guidance recommends that PHV operators should be required to provide to the licensing authority their policy on employing ex-offenders that will take bookings or dispatch vehicles as a condition of licensing (2.98). Do you agree with this recommendation?

24. The draft statutory guidance that a PHV operator may not use a driver who does not hold a PHV licence (but may hold a PCV licence) to use a public service vehicle to carry out a PHV booking. Comment below if you want to explain your answer.
19. PHV operators – record keeping requirements

More national guidance is needed on the benefits and issues around CCTV in taxis and PHVs.

Do you agree with this recommendation?

☐ No
☐ No opinion

Comment below if you want to explain your answer.

Do you agree with this recommendation?

☐ No opinion

Comment below if you want to explain your answer.
Additional national guidance is needed from the DfT on what can be considered safe with regards to stretched limousines.

31. Are there any offences that should be added to the list in Annex A?

☐ Yes
☐ No
☐ No opinion
23. Other offences

32. If you answered yes, please list the offence(s) and the period you consider appropriate to prevent the granting of a licence under most circumstances.
